

Adult Dog Wellness

Veterinary Wellness Center is committed to providing convenient care in a low stress environment.

Our veterinarians recommend that all adult dogs should get:

CORE VACCINES*:

- DHPP
- Bordetella
- Leptospirosis
- Rabies

PARASITE CONTROL:

- Fecal testing
- Heartworm testing
- Heartworm protection
- Flea & tick protection

Vaccine visits start at \$175 for all of the core vaccines. Additional charges apply for fecal testing, heartworm testing, and parasite prevention.

ADD-ONS: Lab tests for organ function screening \$155-220

Ask about our Signature Wellness package to get all this and more through the whole year!
