

Welcome!

We are looking forward to seeing you and your precious pet! Here are some resources to help you get the most out of your pet's appointment.

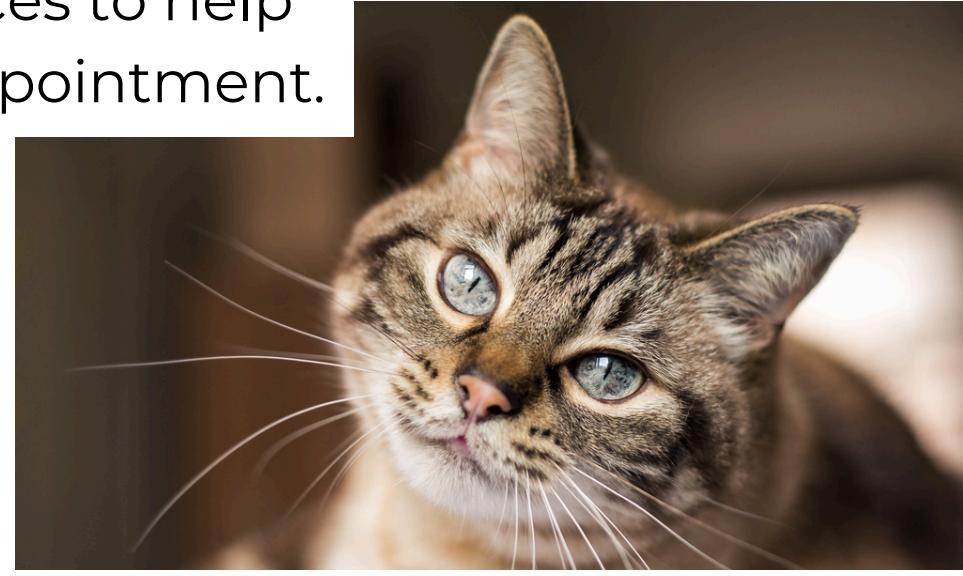

VETERINARY
Wellness Center

Start Here!

Pre-Appointment Forms

- [New Client/Patient Form](#)
- [Medical History Questions](#)

Low Stress Visit Tips

Bring samples from home!

- [Collect dog pee](#)
- Bag fresh poop

Give [pre-visit calming medications*](#)
(if prescribed for your pet)

Help your pet be more comfortable!

- Exam practice: [dogs](#) & [cats](#)
- Blood draw practice: [dogs](#) & [cats](#)

Do you think your pet is in pain?

- Review this [cat](#) or [dog](#) list
- Bring a video of your pet

Getting Pets to the Vet

To stay safe, all pets should come in a carrier or with a properly fitted collar/ harness & leash.

- [Fitting collars](#)
- [Fitting harnesses](#)

Wish car rides were easier?

- [Easier carrier rides for cats](#)
- [Happier car rides for dogs](#)

Policy Questions?

Low Stress Handling

Pets are family! Painful or scared pets may need sedation, or medication for pain or anxiety. In some cases, certain recommended procedures will not be completed during the first visit.

Price Transparency

We will review a detailed estimate during the exam. We accept Cash, Credit Cards, and payment plans:

- CareCredit [\[apply online\]](#)
- Sunbit [\[apply online\]](#)

Schedule Changes

Life happens, we get it! As a small business, we appreciate knowing 2 days in advance for any scheduling changes.

The VetWell Difference:

We love questions! We want you to be prepared to help your pet in every way. Our team is dedicated to making your entire experience friendly and informative.

Wholeness Care We recognize that the physical and emotional needs of every pet and every family are unique. Our treatment plans embrace whole-family care.

Fear Free® Your pet shouldn't have to be scared to get medical care. We use gentle handling, treats, pre-visit calming medications, sedation, and more to get your pet the care they need without the fear they don't. Find out more [here](#).
